

## School Rules

- 1. Honor God and respect others in the way you speak and act.**
- 2. Respect God and your body by staying away from harmful substances, risky activities, and immodest clothing.**
- 3. Failure to adhere to these rules will result in a meeting with the principal and one or more teachers. Repeated violations could result in expulsion from this school. However, it is our hope to never expel any students but instead to help all students develop God-honoring behavior over time.**
